

Presentation Explaining Collaboration Expectations - PowerPoint SlideShow

See the PowerPoint show explaining some of the AAFPO Board's expectations regarding collaboration with Angel Fire Resort. The documents in the presentation are linked to our Organizational Documents section of this page for your information. The original PowerPoint presentation does have embedded hyperlinks, but is not something easily postable, so a video has been created and posted here. If you would like the original PowerPoint presentation with the links, feel free to email Spencer Hamons at Spencer_Hamons@hotmail.com.
