

DECLARATION OF RESTRICTIVE COVENANTS FOR
THE BACA GRANDE ANGEL FIRE – MOBILE HOME ESTATES UNIT ONE
COLFAX COUNTY, NEW MEXICO

THIS DECLARATION, made this 16th day of August, 1973, by THE BACA GRANDE ANGEL FIRE CORPORATION, a New Mexico Corporation, being the owner in fee and herein referred to as "Declarant"

WITNESSETH:

WHEREAS, Declarant is the owner of all the real property set forth and described as Lots 1 through 337 and 340 through 511, inclusive, entitled Mobile Home Estates Unit One, a subdivision of Colfax County, New Mexico, the plat of which is recorded in the Records of Colfax County, New Mexico; and

WHEREAS, Declarant is about to sell and convey said lots and before doing so desires to subject them to and impose upon them mutual and beneficial restrictions, covenants, conditions and charges, hereinafter collectively referred to as "Restrictions", under a general plan or scheme of improvement for the benefit and complement of all said lots in the Subdivision;

NOW THEREFORE, Declarant hereby declares that all of said lots are held and shall be held, conveyed, hypothecated or encumbered, leased, rented, used, occupied and improved subject to the following Restrictions, all of which are declared and agreed to be in furtherance of a plan for the subdivision, improvement and sale of said lots and are established and agreed upon for the purpose of enhancing and protecting their value, desirability and attractiveness.

All of the Restrictions shall run with the land and shall be binding upon Declarant and upon all parties having or acquiring any right, title or interest in and to the real property or any part or parts thereof subject to such Restrictions.

1. APPLICABILITY

- A. These Restrictions shall apply to the above described lots only and are specifically excluded from application to other lands included in the plat. Declarant reserves the right to exempt the following lots from all or any portion of these Covenants: Lots 338 and 339.

2. TERM

- A. These Restrictions shall affect and run with the land and shall exist and be binding upon all parties and all persons claiming under them until January 1, 2002, after which time the same shall be extended for successive periods of ten (10) years each, unless an instrument, signed by a majority of the then owners of lots subject thereto, has been recorded agreeing to change the Covenants in whole or in part; provided, however, that at any time before January 1, 1987, these Restrictions may be amended by the vote of the then record owners of the majority of such lots and thereafter by the record owners of two-thirds (2/3) of such lots.
- B. Declarant reserves to itself, its successors and assigns the right to revoke at any time prior to the sale of any lot within the Subdivision all or any of these Restrictions and, further, to vacate any or

all of the streets, parks, recreational facilities and any amenity shown on the recorded plats, provided, however, that Declarant will not prevent access to or installation of utilities to lots in any other part or section of the Subdivision.

3. MUTUALITY OF BENEFIT AND OBLIGATION

- A. The Restrictions and agreements set forth herein are made for the mutual and reciprocal benefit of each and every lot in the Subdivision and are intended to create mutual, equitable servitudes upon each of said lots in favor of each and all of the other lots therein; to create reciprocal rights between the respective owners of all of said lots; to create a privity of contract and estate between the grantees of said lots, their heirs, successors and assigns, and shall, to the owner of each such lot, his heirs, successors and assigns, operate as covenants running with the land for the benefit of each and all other lots in the Subdivision and their respective owners.

4. ENVIRONMENTAL AND ARCHITECTURAL CONTROL COMMITTEE

- A. All plans and specifications for any structure or improvement whatsoever to be erected on or moved upon or to any portion of the real property, and the proposed location thereof, the construction material, the roofs and exterior color schemes, any later changes or additions thereto shall be subject to and shall require the approval in writing before any such work is commenced of the Environmental and Architectural Control Committee (hereinafter called "Committee") as the same is from time to time composed.
- B. The Committee shall be composed of three (3) members to be appointed by Declarant. The initial appointments are: F. Michael Geddes, Lawrence W. Mobley, and Charles D. Patton, AIA. Committee members shall be subject to removal by Declarant and any vacancies from time to time existing shall be filled by appointment by Declarant, its successors or assigns; provided, however, that at any time hereafter the Declarant may, at its sole option, relinquish to the Baca Grande Angel Fire Property Owners Association, when formed, the power of appointment and removal reserved herein to Declarant. Such transfer of power must be evidenced in writing.
- C. There shall be submitted to the Committee, a building application on forms approved by Declarant together with three (3) sets of plans and specifications for any and all proposed improvements, the erection or alteration of which is desired, and no structures or improvements of any kind shall be erected, altered, placed or maintained upon any parcel unless and until the final plans, elevations, and specifications therefore have received written approval as herein provided. Such plans shall be drawn to scale and shall include plot plans showing the location on the lot of the building, wall, fence, or other structure proposed to be constructed, altered, placed or maintained, together with floor plans, schemes for roofs and exteriors thereof and proposed landscape plantings. A reasonable fee may be required to defray Committee expenses.
- D. The Committee shall approve or disapprove plans, specifications and details within thirty (30) days from the receipt thereof. One (1) set of said plans and specifications and details with the approval or disapproval endorsed thereon shall be returned to the person submitting them; second (2nd) set of plans shall be retained by the Committee for its permanent files; the third (3rd) set shall be sent to the General Manager of the Baca Grande Angel Fire and be retained by the General Manager for his permanent file. The Committee shall advise the applicant the reason for the disapproval and suggest changes.
- E. The Committee shall have the right to disapprove any plans, specifications or details submitted to it in the event the same are not in accordance with all of the provisions of these Restrictions; if the

design or color scheme of the proposed building or other structure is not in harmony with the general surroundings of the real property or with the adjacent buildings or structures; if the plans and specifications submitted are incomplete; or in the event the Committee deems the plans, specifications or details, or any part thereof, to be contrary to the interest, welfare, aesthetics or rights of all or any part of the real property subject hereto, or the owners thereof. The decisions of the Committee shall be final.

- F. Neither the Committee nor any architect or agent thereof or of the Baca Grande Angel Fire shall be responsible in any way for any defects in any plans or specifications submitted, revised or approved in accordance with the foregoing provisions, nor for any structural or other defects in any work done according to such plans and specifications.
- G. The Committee shall have the authority to set up regulations as to the height and size requirement for all types of mobile home units and structures, including fences and walls.

5. THE BACA GRANDE ANGEL FIRE PROPERTY OWNERS ASSOCIATION

- A. Every person acquiring legal or equitable title to any lot in the Subdivision covered by these Restrictions will automatically become a member of the Baca Grande Angel Fire Property Owners Association, to be formed by Declarant, herein referred to as "Association", and with such ownership then every such person becomes subject to the requirements and limitations imposed in these Restrictions and to the regulations and assessments of the Association, with the exception, however, of such person or persons who hold an interest in any such lot merely as security for the performance of an obligation to pay money, e.g., mortgages, deeds of trust, or real estate contract purchases. However, if such a person should realize upon his security and become the real owner of a lot within the Subdivision, he will then be subject to all the requirements and limitations imposed in these Restrictions on owners of lots within the Development and on members of the Association, including those provisions with respect to alienation and the payment of an annual charge.
- B. The general purpose of the Association is to further and promote the community welfare of the property owners in the Subdivision.
- C. The Association shall be responsible for the maintenance, upkeep and repair, and the establishment and enforcement of rules and regulations concerning the operation and use, of all greenbelt and park areas and other areas collectively referred to herein as "common areas".

In the event that the Association at any time fails to properly maintain such common areas, Declarant, in its sole discretion, may enter upon and make any and all repairs, or maintain any of the properties under the responsibility of the Association and may charge the Association for all such repairs.

- D. The Association shall have all the powers that are to be set out in its Articles of Incorporation and By-Laws and all other powers that belong to it by operation of law, including (but not limited to) the power to assess and collect from every member of the Association a uniform monthly charge per single-family residential lot within the Subdivision. The amount of such charge is to be determined by the Board of Directors of the Association for the purposes for which the Association is formed, payable, annually, and provided further that no such charge shall ever be made against, or be payable by, Declarant, the Association itself, or any entity that may be created to acquire title to, and operate, the water, sewer, power, telephone, gas or similar utility serving the Subdivision.

There will be no assessment by the Association until such time as the Association has obtained ownership of all or part of the common areas.

All monthly charges are payable annually, by the member to the Association on or before the first day of May of each year, for the ensuing year. The Board of Directors of the Association shall fix the amount of the annual charge per lot.

Every person who shall become the legal or equitable owner of any lot in the Subdivision by any means, is, by the act of acquiring such title, or by the act of contracting to acquire such title, held to have agreed to pay the Association all charges that the Association shall make in accordance with these Restrictions. If such payment is not made when due, it shall bear interest from the due date at the rate of eight (8) percent per annum. Until paid, such charges together with costs and reasonable attorney's fees required to secure payment thereof, shall constitute a perpetual lien on and against the property charged. The Association may publish the name of a delinquent member and may file notice that it is the owner of a lien to secure payment of the unpaid charge plus costs and reasonable attorney's fees and may foreclose the lien in accordance with the laws of the State of New Mexico.

The Association shall, upon demand by Declarant, at any time, furnish a list of members who have paid such assessment or of such members who are then delinquent in the payment of such assessments.

- E. The fund accumulated as a result of the charges levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety and welfare of the members of the Association and in particular, the maintenance of the common areas.
- F. Declarant proposes to develop additional property adjacent to this Subdivision and reserves the right to expand this Association so as to include the future owners of any or all additional properties so developed. Declarant, by reference to these premises, can include these future owners for full participation in all benefits and responsibilities.

6. OWNERSHIP, USE AND ENJOYMENT OF PARKS AND RECREATIONAL AMENITIES

- A. Any common areas so designated within the Subdivision are private and neither Declarant's recording of the plat, nor any other act of Declarant with respect to the plat, shall be construed as a dedication to the public.
- B. The ownership of all recreational facilities as designated shall be in Declarant or its designee; however, Declarant may convey or otherwise transfer any or all of the facilities to the Baca Grande Angel Fire Property Owners Association, when formed, and such conveyance shall be accepted by it.

E. Mobile Home Control:

- (1) No mobile home or other dwelling may be placed on any lot until approved in writing by the Committee as to size, condition, and appearance. - j. An amount not less than \$50 will be expended by the property owner on each lot for trees, shrubbery, flowers and landscaping. Such improvements will be effected within 60 days following the placing of a mobile home on a lot unless seasonal considerations preclude such installations. In this event, such improvements will be installed the following Spring and shall be completed not later than June 1st of that year.
- k. The Committee may, at its sole discretion, issue supplemental instructions from time to time concerning the application or temporary suspension of these restrictions when in its judgment this action is deemed in the best interests of the property owners.

10. REMEDIES

- A. The Association, the Committee or any party to whose benefit these Restrictions inure, including Declarant, its successors and assigns, may proceed at law or in equity to prevent the occurrence, continuation or violation of any of these Restrictions; provided, however, that it is expressly understood that neither Declarant, the Committee, nor the Association shall be liable for damages of any kind to any party for failing to either abide by, enforce, or carry out any of these Restrictions.
- B. No delay or failure on the part of an aggrieved party to invoke an available remedy set forth above with respect to a violation of any of these Restrictions shall be held to be a waiver by that party of (or an estoppel of that party to assert) any right available to him upon the recurrence or continuation of said violation or the occurrence of a different violation.
- C. Provided, however, that any breach of these Restrictions shall not defeat or affect the lien of any mortgage or deed of trust made in good faith and for value, but all of these Restrictions shall be binding upon any owner whose title is acquired by foreclosure or otherwise.

11. GRANTEE'S ACCEPTANCE

- A. The Grantee of any lot subject to the coverage of these Restrictions by acceptance of a deed conveying title thereto, or the execution of a contract for the purchase thereof, whether from Declarant or a subsequent owner of such lot, shall accept such deed or contract upon and subject to each and all of these Restrictions and the agreements herein contained, and also the jurisdiction, rights and powers of Declarant, the Committee and the Association and by such acceptance shall for himself, his heirs, personal representatives, successors and assigns covenant, consent and agree to and with Declarant, the Committee, the Association and to and with the grantees and subsequent owners of each of the lots to keep, observe, comply with and perform said Restrictions and agreements.
