

The AAFPO Board of Directors recently received this gracious note from Angel Fire Resort regarding the recently announced partnership on the Pickleball Center and New Chairlift Improvement Project. The Resort and AAFPO Board have been working diligently over the past several years to build a strong, cooperative working relationship. This demonstrates significant progress in that direction. The AAFPO Board likewise thanks the Resort for their efforts and cooperation in creating this unprecedented partnership agreement.

Dear AAFPO Board of Directors:

On behalf of Angel Fire Resort, we would like to thank the entire AAFPO Board for partnering with the Resort on the new amenities projects. With the addition of the new pickleball/tennis complex and the new high speed chair lift, these improvements will enrich our membership community making Angel Fire an even greater place to live and play!

Again, we are grateful for the Board's hard work and significant contribution. This is an exciting time in the history of Angel Fire Resort, the Membership and our Village!

Sincerely,

Andy Whitacre
