

AFE/ACC is MOVING!

The Angel Fire Environmental/Architectural Control Committee
is moving their office to the Post Office building at
3469 Mountain View Blvd #B11.

Come see us at the new office starting Monday, May 6th.

As we are now in warmer weather and projects are starting, do not
forget to get your permits! Any maintenance, minor, or addition
projects need a permit from the AFE/ACC.

If you are not sure if you need a permit? Email us at
angelfirearchitectural@gmail.com or call us at 575-377-1145.
